"There's a reason we keep going back to Sharyn Gersh for every project we do. She's the best music editor in the business. Her creativity, speed, and I-can-make-this-work attitude have made her invaluable to us.

We can't imagine working with anyone else."

-- Michelle & Robert King, Creator-Exec Producers of *Evil*, *The Good Fight* & *The Good Wife*

"Sharyn Gersh doesn't just music edit - she elevates your show. Her creativity is matched only by her commitment to the project and the people she's working with. She communicates clearly, moves fast, and genuinely cares about the outcome. She's the kind of collaborator every director hopes to find."

--Steph Green (Director) *The Good Daughter*, *Dare Me*, *Duster*, *The Americans*, *Watchmen*
